- Licensee agrees not to sell or distribute the images via any physical method (such as diskette, CD- ROM, paper printing, or any other technology not specifically named in this document) without additional written permission and payment of fees.
- Licensee acknowledges that unauthorized reproduction of the licensed material may constitute a serious crime, and that such actions may also result in a suit for damages, injunctive relief, and attorney fees, pursuant to this agreement and to other rights that the licensor may have.
- It is understood, notwithstanding any other provisions of this agreement, licensor has the unequivocal right to obtain timely injunctive relief to protect the proprietary rights of Licensor.

[02] ACCEPTABLE USES OF LICENSED CONTENT.

- Banners and Webpage Design: Licensee may use a limited number of images for use in banners and web-page design elements. Licensee may use up to thirty (30) images for banner usage from any licensed individual for web-page design elements. Banners with licensed material on them must be linked to a site/page owned or operated by the licensee, and material used in webpage design elements must be located on a website/page owned or operated by the licensee.
- Thumbnail Gallery Posts: Up to ten (10) images may be used at one time in a thumbnail post URL, so long as the material remains hosted at the licensee's site. If the material is to be hosted at the Thumbnail post's URL, then up to ten (10) images may be used, providing that all images are clearly identified as being from the Licensee owned site, and a link to that site is provided.
- All of the material contained on the Product may be used as "web content" on up to twenty (20) domains owned or operated by the Licensee. Licensee may distribute the product only via internet website(s) which are intended for end user usage only. The product may not be placed on a website with the intent to resell the content's use to other webmasters.

- Licensee may not alter the images to make them appear to be the copyrighted property of anyone other than Licensor.
- Licensee may not use the content on any third-party clips type website (ex: clips4sale.com, images4sale.com, clips.com, etc.)

Anatomik Media Web Content License

- Licensee is NOT licensed to rent, lease, transfer, network, reprise display, or distribute the Product materials, except as specifically provided above.

- Creation of Thumbnail images to use on a licensees site is allowed. "Cropping" of the material is allowed. Changing the file format and compression technique used is allowable.
- Editing the files to add logos is allowed.
- Editing the files to make them more suitable for your usage is allowed, however, changing the content of the material (such as morphing or editing another person or object into the photo, or changing the appearance of one that is there), is NOT allowed.

- Licensee must provide Anatomik Media with a CURRENT list of domains where content is being used. Failure to do so will result in a revocation of the license.

[06] Revocation of License.

- Licensors may revoke Licensee's license in the event that Licensee violates one or more of the provisions of this License.
- The License is automatically revoked if the Licensee declares bankruptcy, obtains a refund of the product payment, or causes the product payment to become invalid through any action, such as fraudulent use or credit card chargeback.
- Involuntary revocation of the license does not grant Licensee any refund of the payment made.

[07] Modifications.

- Any modifications not specifically listed in this document are not granted without express written permission of Licensors.

[08] Transfer of Rights.

- This agreement shall be binding on any successors of the parties. [10] Severability.

- If any provision of this agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable.
- If a court finds that any provision of this agreement is invalid or unenforceable, but that by limiting such provision it would become valid or enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited. [11] Waiver of Contractual Right.
- The failure of either party to enforce any provision of this agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this agreement.

- This agreement shall be governed by the laws of the State of Residence of the Licensor.
- Licensee holds Licensor harmless for any legal issues related to the distribution of the material as it relates to community standards and adult entertainment laws as set forth in any city/county, state or country of Licensee and their websites.
